Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the invention relates to compounds of formula III, composition and their method of use thereof. The closest prior art of Ahmad et al., WO 2001027107, discloses similar compound having an acidic group wherein the chain is an alkylene with one double bond instead of two double bonds at position R1 in the instant invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
